Thank you for choosing PCS Edventures to support your STEM journey!

To ensure our digital resources work correctly, please give this checklist to your IT or network admin.

Your programs are: _____

Write your program titles above as reference for your IT admin.

☐ **Whitelist** PCS Edventures' domains: **edventures.com** and **droneology.tech**

☐ **Whitelist** our video hosts: **youtube.com**, **youtu.be** and **vimeo.com**

You may choose to whitelist each video individually, rather than approve the entire domain. See the curriculum print materials, usually the Instructor Guide or Educator Guide, for all of the videos included in your program.

☐ **Whitelist** our partners' domains, if applicable to your programs:

- *Discover Blocksmith, ESPORTS,* or *Game Design:* whitelist **blocksmithxr.com** and **stemforged.com**

- *Discover Podcasting*: whitelist **soundtrap.com**

- *Ready, Set, Drone!*, *Drone Designers*, or *Coding with Drones*: whitelist **droneblocks.io**

- *Rockin' Robots*: whitelist **edu.sphero.com**

- *Scratch Camp*: whitelist **scratch.mit.edu**

☐ **Approve and Install** any apps that are included in your programs.

All required or recommended apps are listed in the curriculum's print materials, usually in the Instructor Guide or Educator Guide.

You may need to adjust your network security settings temporarily to install some apps.

☐ **Questions?** Contact us at support@edventures.com or (800) 429-3110.
